CITY SCHOOL BONDS

MASS MEETING INSTRUCTS CITY SCHOOL TRUSTEES TO CALL ELECTION FOR \$32,000

The mass meeting which assembled at the Intermediate School Monday evening to advise the Trustees of City Schools in regard to calling another election for bonds to complete the constructive work in the line of building outlined for the grammar schools, organized by electing Richardson D. White chairman. He reviewed the figures submitted for the first bond issue of \$100,000 and the great increase in the cost of labor and material which made that sum inadequate, and which compelled the Board to cut out the purchase of the triangle of land on Brand boulevard adjacent to the Ceritos Avenue School, to cut out the addition to the Intermediate School, and all sums allowed for furnishing. The mass meeting which instructed the Board in regard to the calling of that bond issue was held June 23, 1919, and by the time the bonds could be sold and the contracts be actually let six months had elapsed and the increases in cost mentioned had taken place. The Broadway building estimated at \$65,000 cost \$78,830. Mr. White reminded the audience that the meeting had been called for the purpose of advising the Board what to do to meet the situation which he said was becoming acute so far as the Intermediate is concerned. All the rooms in the building including the auditorium and library are now in constant use as class rooms and the attendance constantly growing. The building now going on in Glendale and the constant arrival of new families make it very probable, he said, that the attendance will be largely increased next fall and some provision must be made to take care of pupils. If not, they will be forced to hear classes on the lawn. The present (Continued on Page 4)

IMPRESSIVE OBSERVANCE OF DECORATION DAY

Great preparations are being made for the observance of Decoration Day this year. As May 30th comes on Sunday, the observance will be on Monday. All the members of the American Legion Post who still have their uniforms are expected to wear them and take the lead in the Legion's part of the parade. The G. A. R., Sons of Veterans, American Legion, and the women's organizations affiliated with them are active in preparing for this greatest observance in the history of Glendale. The promise of one or more aeroplanes to take part in the ceremonies has been secured and there will be firing squads from both the G. A. R. and American Legion.

CAMPAIGN NOW ON

GLENDALE AMERICAN LEGION POST MEMBERS HEARTILY ENGAGED IN IT

The American Legion's campaign for membership started Monday, May 17th, throughout the nation. Approximately 9,500 Posts of the organization are working simultaneously and it is expected that one million new members will be gained in the campaign. This would give a total of two and one-half million members to The American Legion.

The National Headquarters of the organization here has received assurances from every one of the forty-nine departments of the country that they are completely organized for the campaign.

In the majority of states, Governors have proclaimed this week as "American Legion Week." The active co-operation of the Red Cross, Y. M. C. A., Knights of Columbus, Community Service, Incorporated, and the Salvation Army has been obtained and persons prominent in all walks of life throughout the country have united in endorsing the Legion and its campaign.

As a matter of fact, the great American public has been eager to support the Legion in this activity and has co-operated with the same enthusiasm exhibited in various Liberty Bond campaigns, even though the public will not be called upon to contribute money.

A special effort will be made locally and throughout the nation to enroll ex-service men and women who always have intended to join The Legion but have put off doing so. The financial obligation of be-

COMPANIONS OF SPRING

MR. AND MRS. RALPH MEEKER RETURN FROM DELIGHTFUL NORTHERN TOUR

Mr. and Mrs. Ralph Meeker returned Sunday evening from a combined business and pleasure trip to the north in which they visited friends and relatives in Sonoma county and toured Lake county to some extent, returning via the coast route. Mrs. Meeker reports the northern country very beautiful and that their journey was from Spring to Spring. Leaving the advanced vegetation here they found orchards in full bloom in Lake county and like a bit of the east, for Mrs. Meeker declares the fruit blossoms up there are pinker than in the valleys further south. The streams seemed to be full of fish and all along the Russian River which they followed almost to its source they found groups of school boys, men and women successfully casting their lines into its clear waters. The wild flowers, particularly in Lake county, were a great joy to Mrs. Meeker, who says she has never seen anything like them for beauty or abundance.

The vineyards were an astonishment to her also. She had not been through that country in several years and had not realized the vast acreage of the Swiss-Italian Vineyard Company. Hundreds of acres, however, have been rooted out and planted to apples, pears and apricots. The growers were also plant-

(Continued on Page 4)

INTERMEDIATE PICNIC

The 8-A girls of the Intermediate School, Room 1, Mr. Price; Room 2, Miss Sinclair; and Room 3, Miss Duncan, enjoyed a picnic at Brookside Park last Saturday. Two big trucks and several private machines took the party over. Including the teachers and parents who went along there were nearly 140 in the crowd. A fine picnic dinner was enjoyed and there were ball games and swimming. A team from the John Muir School, South Pasadena, played the Intermediates of Glendale and beat them. Then a faculty team played for awhile with a team of the girls, but no score was kept. The start back was made at 5:30 and all arrived at home in high good humor.

NIGHT SESSION

INTERMEDIATE WILL ENTERTAIN PARENTS AT ITS ANNUAL EVENING SCHOOL

In conformity with the custom it has followed for several years, the Intermediate School will hold its annual evening session next Friday night for the purpose of giving parents, especially fathers, an opportunity to see the kiddies at work in the school room and at play on the athletic field, and to thus come in closer touch with modern school work. It will close as usual with a regular assembly at which boys and girls will probably receive the letters they have earned in athletic activities, and when other matters of interest to the school will be presented in the manner in which they ordinarily come up.

These evening affairs have grown in popularity from year to year and last year there was quite a crush of parents, all beaming with pride in the opportunities and progress of their offspring. There is every reason to expect a like response this year. All departments will be in session for short periods and parents will thus have opportunity to see the work in several subjects. Teachers on the staff will receive and welcome the parents as they arrive and each visitor will be asked to register.

DEBATING NEWS

A question which is being debated by competing schools in the debating league to which Glendale High does not belong is arousing considerable interest here and representatives of our High School may seek an opportunity to debate it. The question is: Resolved, that the United States has outgrown the Washingtonian idea of non-interference in European affairs. A championship debate on this subject is scheduled for June 4th at Millsbaugh Hall, U. of C. Southern Branch, between Long Beach and Inglewood contestants, and it is possible the winner of that contest will be challenged by Glendale High debaters.

OMAHA DYKE GIVES WAY

HIGH WATERS OF MISSOURI RIVER FLOOD TERRITORY SIX MILES SQUARE; MANY HOMELESS

(Special Service to Glendale Evening News)

OMAHA, May 18.—The rising waters of the Missouri broke over the big East Omaha dyke early today, flooding six square miles of that section of the city and rendering nearly one hundred families homeless. Several houses are in danger of being swept away by the flood. The river is higher than at any time before in fifteen years. There has been no loss of life and the flood is now subsiding.

SIXTH BALLOT FOR BISHOP TAKEN

GENERAL METHODIST CONFERENCE URGES ENACTMENT OF MORE STRINGENT ANTI-LYNCH LAWS

(Special Service to Glendale Evening News)

DES MOINES, Iowa, May 18.—The General Methodist Conference today passed a resolution calling for the enactment of more stringent anti-lynch laws and stricter enforcement of present laws. The resolution was introduced by J. W. Hoffman, chairman of the Committee on the State of the Church. The resolution was presented after the conference had taken the sixth ballot for a bishop. The result of that ballot will probably be announced today.

MISSING GIRL LOCATED

DAUGHTER OF WEALTHY NEW YORKER FOUND IN LOS ANGELES; CAME TO BE MOVIE ACTRESS

(Special Service to Glendale Evening News)

LOS ANGELES, May 18.—After being traced to nearly every city in the United States, Henrietta Bulte, sixteen years old, daughter of a wealthy cigar manufacturer in New York City, who disappeared from her home April 12th, was located in Los Angeles today and taken into custody by Captain Grant Williams, a retired member of the New York police department. The police believe the girl came here in the hope of becoming a motion picture actress, and was not kidnapped as had been reported in New York. Her disappearance created a sensation in that city.

BLUEBEARD WATSON IN SAN QUENTIN

(Special Service to Glendale Evening News)

SAN QUENTIN, May 18.—Bluebeard J. P. Watson, confessed murderer of nine of his wives, is now No. 33,755 in San Quentin penitentiary. Besides his identity he lost his locks and his beard and was fitted to the regulation prison garb. He began a life residence at 10 o'clock this morning and was assigned to work in the jute mill. Garbed in prison clothes Watson presented a more emaciated appearance but he was perceptibly relieved. He had often expressed the fear that he would be lynched or that he would be retried for another murder and sentenced to be hanged.

CARRANZA FLEEING NORTHWARD

PRESIDENT AND CABINET TO DISCUSS MEXICAN REVOLUTION AND POSSIBLE RECOGNITION

(Special Service to Glendale Evening News)

WASHINGTON, May 18.—Carranza, the deposed Mexican president, is fleeing northward and Francisco Villa is on his way to Mexico City unaccompanied, according to advices to the State Department today. The American embassy at Mexico City informed the department that Carranza was seen last Sunday passing through Popela, a small village 90 miles south of Mexico City. He and a small escort were travelling northward at that time. Rebel agents here thought that Villa probably would be appointed chief of the Mexican constabulary in the northern states.

The State of Yucatan, the last to desert Carranza, was reported to have joined the revolution. The Mexican revolution and the possibility of a recognition of the new regime it is believed will be discussed by President Wilson and his cabinet which meets late today.

THE IRISH SITUATION

MILITARY SOON TO BE IN CONTROL IN WEST AND SOUTHWEST, PARTICULARLY IN LONDONDERRY

(Special Service to Glendale Evening News)

LONDON, May 18.—A crisis in the northwest and south of Ireland apparently was developing rapidly today with all indications that General Macready had begun his long expected campaign to restore order in the island. Thousands of fresh troops were being distributed in the west and southwest, the dispatches said. The government was reported as ready to adopt drastic measures in Londonderry which the newspapers described as "the city of dreadful night." Large bodies of troops arrived in Londonderry last night following three nights of rioting between unionists and Sinn Feiners. Arrangements for military control were reported as practically completed. Troops were taking over private residences in the disturbed areas in the south and west.

Further developments were expected in the House of Commons today when the Irish bill again comes up for debate.

WEDDED 34 YEARS

T. N. STRONG AND WIFE CELEBRATE MARRIAGE ANNIVERSARY

Mrs. Samuel Dick and Mrs. Will Templeton Dick of 130 North Orange were guests recently at a large gathering in honor of the 34th wedding anniversary of T. N. Strong and wife, well known in Glendale, at their home, 2110 South Main street, Los Angeles. Mr. Strong is a brother of Mrs. Samuel Dick. He and his life companion were wedded in Ottumwa, Iowa, and three of the original wedding party were present at this celebration—Mr. and Mrs. Jas. Conway and Mrs. Jennie Horrell.

The rooms were decorated for the occasion with Cecil Brunner roses furnished by Mrs. Cecil Crandall, of Glendale, who was Miss Charlotte Templeton Davis before her marriage. Mrs. Bert Welsh, of Los Angeles, and Mrs. Will Dick, of Glendale, looked after the refreshments, which were of a varied nature. But chief among them was a mammoth wedding cake covered with gold icing.

Mr. Strong was a conductor on the C. B. Q. for many years, when living in Ottumwa, Iowa. A fall from his train so injured him that he had to quit work entirely, so he and his wife came to California to live.

STOP WHEN POLICE OR FIREMEN'S SIREN IS HEARD

The state law prescribes that the driver of any vehicle who hears the sounding of a police or firemen's siren (and all are of one pattern and have exactly the same note), must turn at once to the curb on his right and wait there till the passage of the public vehicle. Also that if approaching a crossing and the sound is heard an instant stop must be made. If on the crossing when the sound is heard the driver must get off the crossing at once and stop next to the right curb.

HOME FROM EAST

MR. WERNETTE GLAD TO RETURN AFTER TOURING ATLANTIC STATES

J. I. Wernette returned Sunday evening from an Eastern trip and is delighted to get back to Southern California. That does not mean that he did not have a good time while away or enjoy the opportunity to see what the Middle West and Atlantic coast look like, but he encountered much rain and bleak spring weather which made him long for the California brand. While it was a business trip he was also able to take in the golden wedding celebrated in Grand Rapids, of which mention was made in announcing his departure. His first stop was in New Orleans. From there he went to New York and Washington. He likewise visited Chicago and Kansas City. With him on the return journey were his nephew and niece, Barton and Frances Thomas, from Kalamazoo, Mich., who will be guests in his home for some time. The Wernettes expect to have much pleasure showing them the sights of Southern California.

BALL GAMES AT INTERMEDIATE

Last Friday noon the Highfliers beat the Tiger Lilies 9 to 8 and Monday the Bees walloped the Highfliers 6 to 2. In the boys' games, Friday the White Sox beat the Red Sox 3 to 1 and the Tigers got the best of the Bees by 12 to 6. Monday's scores were: Bees 6 and Tigers 4, White Sox 5 to Red Sox 3. The regular school team plays Burbank Intermediate on the latter's grounds this afternoon. On Thursday the Intermediate boys play a mixed High School team and the Intermediate girls the High School 4th year team of girls.

MARCIA HUNTLEY SMITH

It is hard to determine who is the more proud and happy in a trio of three families representing the parents and grandparents of the ten-pound girl who arrived Saturday night to bless the home of Mr. and Mrs. Seymour Smith at 104 North Central avenue. She has been named Marcia Huntley Smith and is the first grandchild of Mr. and Mrs. J. G. Huntley and of Mr. and Mrs. J. Herbert Smith, who have welcomed her with enthusiasm. Mother and child are doing well.

BACK TO GLENDALE

MR. AND MRS. W. G. BLACK PREPARING TO RETURN FROM ONTARIO

W. G. Black of Ontario was in Glendale yesterday looking after business affairs. He has just one piece of property left in that section now, a 10-acre fruit ranch, and this he intends to dispose of and move back to Glendale, which he left a few years ago to try ranch life on account of a breakdown in health caused by too much indoor work. He has fully recovered and appears bronzed and strong. He and Mrs. Black are eagerly looking forward to the return to Glendale and the old friends of other days. They still own a good lot on South Brand and may conclude to build.

Mr. Black says the outlook for peaches is very poor, owing to the ravages of thrip, a new pest. It is a small insect that was noted by millions in all the big peach orchards. It attacked no fruit but peaches and the process consisted of laying its eggs in the bloom. These hatched small worms which ate holes in the flesh of the peach. These, closed over by a new growth of skin, made a hard spot on the peach which had to be cut out. Canneries complained seriously of the peaches thus damaged last year and this season it is far worse, Mr. Black says, few if any, of the large orchards on which the canneries depend escaping the ravages of this pest, against which no certain remedy has been discovered.

Mr. and Mrs. Black lived for quite a number of years in old Tropicco, on Park avenue, just east of Central.

DONALD McDOWELL HILLMAN

A fine little nine-pound boy was born at the home of Dr. A. M. Duncan Monday night to Mr. and Mrs. Will Hillman, daughter and son-in-law of Dr. Duncan. The newcomer has been named Donald McDowell Hillman. For eight years the Hillmans were residents of Glendale on Acacia avenue. They are now on a ranch near Tulare. Their little son, Eugene, contracted scarlet fever a short time ago and Mr. Hillman has been kept in Tulare caring for him. As soon as the child is out of quarantine, which they expect will be in the near future, he will join Mrs. Hillman here.

NEW POLICE MOTORCYCLE

The new red motorcycle ridden by W. E. Trautwein, the "speed cop," is the last word in motorcycle construction. It is specially built for the purpose and has all the latest and best equipment. It is not only built more strongly than those of previous years, but is much faster, so that it will take a regular racing auto to get away from it.

FAMOUS TOWNSMAN

FREDERICK O'BRIEN RETURNS TO GLENDALE AND IS IMMEDIATELY CALLED AWAY

Frederick O'Brien, the distinguished author, returned Monday from New York where he has spent the past three months in negotiations with the publishers of his famous book, "White Shadows in the South Seas" (which is now in its fifth edition), and arranging with them for the right to handle his forthcoming work, "Mystic Atolls of the South Seas." The book first named has proved to be one of the "best sellers" and he is now under contract to supervise a moving picture of it in nine reels which is to be made by the Hearst International Company and which will be produced here and in the South Seas.

Notwithstanding the fact that he has just reached home, Mr. O'Brien is leaving at once for San Francisco and other northern points where he has lecture engagements that will keep him away a week or ten days. He is also under contract to write for Collier's Weekly and his first story is to appear in the next issue or May 22d. He has likewise promised to return for a series of lectures next winter in New York and other of the large cities of the East on the South Seas, China, Java, Borneo and the Orient in general.

All of Mr. O'Brien's hopes seem to have flowered at once and he is now kept busier than ever harvesting the fruitage. He is so much in request that his home town will probably not have opportunity to see much of him nor to enjoy him. Such is fame.

EXCHANGE—108-egg incubator and brooder for 8x12 rug or refrigerator, or will sell. 308 Sinclair Ave. Phone Glendale 865-W.

When Prince Albert told a crowd of British artists that they should turn to sign painting, the doubt felt by the painters whether they should construe it as a bit of humor or a correct appraisal of their abilities is easily understood.

Only the leavin's come to him who waits.

Personals

Mrs. Kassell, mother of Mrs. S. A. Pollock, of West Park avenue, is quite ill of pleurisy and has been confined to her bed for several days.

Miss Pauline Hamilton, daughter of Mr. and Mrs. W. W. Hamilton of 327 West Garfield avenue, is expected home the 7th of June.

Architect Arthur G. Lindley is preparing plans for a new Methodist church building at Brawley, with cement plastered exterior and composition roof.

About fifty girls of Glendale Union High go to Pasadena today to witness the "uniform" parade that is being put on. Whether it will bear fruit in the adoption of uniforms for Glendale students remains to be seen.

Mrs. Myron A. Griswold of 1612 South Brand is getting around after a very severe attack of influenza which kept her confined to her bed for seven weeks. She hopes that she is about to recover her normal health.

Architect A. F. Priest is preparing plans for new store fronts for A. H. Winear of Oxford, for a one-story concrete block residence at Sespe for J. H. Sharpe and for a one-story frame bungalow on Orange, north of Doran, for Wm. A. Howe.

Mrs. Frederick Field of North Kenwood street was brought home Sunday from a Los Angeles hospital where she recently underwent an operation. Her return is a great joy to her daughter, Miss Bessie Field, who reports that her mother is making an excellent recovery.

Mrs. Samuel Dick and Mrs. Will Templeton Dick of 130 North Orange were recipients recently of a box of Florida grapefruit sent them by the son and husband from San Angelo, Texas, where he is looking after business affairs. He writes that regular shipments of Florida citrus fruits are received there. This grapefruit does not grow as large as the California variety and is decidedly russet in color, with a very thin skin. It has no bitter taste and is so sweet that no sugar is needed.

Mr. and Mrs. W. D. Root and Dr. Soper and his daughter have had the pleasure recently of entertaining Miss Matilda A. Spencer, who is enjoying a furlough from the missionary work in Japan in which she has been engaged for 41 years. She was connected with the Aoyama College for Girls and Dr. Soper was at one time associated with her as a teacher in that institution. When Mrs. Root was in Japan she and Miss Spencer became great friends and it is a great satisfaction to the Roots to meet her again.

Mr. and Mrs. Frank Ayars have just returned from a two weeks' trip to San Francisco. They motored north by the inland route and returned via the coast route finding the country very beautiful. Never did she see wild flowers in such abundance and loveliness as now. Mrs. Ayars reports, and the trees of the north were very beautiful. On the way up they stopped to visit Mr. Ayars' brother and sister-in-law. San Francisco looked to them about as usual and they did the things most visitors do when there.

Geo. F. Colson of 708 North Jackson left with the Evening News recently a photographed copy, reduced size, of the May, 1878, Music Festival edition of the Cincinnati Commercial. This Festival was and still is an annual event in Cincinnati and in 1878 the great pipe organ, then the largest in America, was dedicated and used for the first time. This music festival was held in a large music hall erected for that purpose and in those days was the great national musical event. This photographic copy, now 44 years old, has been carefully preserved in Mr. Colson's family since the date mentioned.

FORTNIGHTLY BRIDGE CLUB

Mr. and Mrs. Charles Parker on North Orange street were host and hostess to the Fortnightly Bridge Club last Saturday evening and gave their guests a very good time. Assisted by Mrs. L. N. Hagood they supplemented the card program with some charming musical numbers. Delicious refreshments were served after play in the dining room where the table was centered with roses. Mr. Parker and Mrs. Howeth made the high scores of the evening. Those present were: Mr. and Mrs. Frank Ayars, Mr. and Mrs. H. B. Howeth, Mr. and Mrs. A. A. Barton, Mr. and Mrs. Francis Henry, Mr. and Mrs. G. D. Roach, Mrs. J. I. Wernette, Mrs. L. N. Hagood, and the host and hostess.

HARBOR EXCURSIONS

C. E. Carl and J. F. Herzer of the Averill-Weymouth Company are establishing an office at 104-A N. Brand boulevard over the Bank of Glendale. They will conduct tri-weekly excursions to the Vista del Oro tract at Los Angeles harbor.

WEATHER FORECAST: Fair tonight and Wednesday.

C. F. MORTON

TRIBUTE OF LOVE PAID BY SISTER TO ONLY BROTHER

Mrs. Ellen E. Codd, only remaining sister of the late C. F. Morton, sends these words in memory of her only brother:

"We loved him well. No tongue can tell How much we loved him and how well.

God loved him, too, and thought it best

To take him home with Him to rest.

"Another link has been broken in the household band, But a chain is forming in a better land.

"C. F. Morton, who passed from this life on May 10, 1920, was for many years a resident of Buffalo, N. Y. He came to Glendale in 1914 and built the bungalow at 412 North Isabel street, where he and Mrs. Morton and their son, Guy Morton, and family, have since resided. His sister, Mrs. Codd, has also been a member of their household for several weeks, in accordance with Mr. Morton's expressed desire that she stay with him during the remainder of his life. Another sister, Mrs. T. S. Evans, died in November, 1919, and Mrs. Mary J. Austin, mother of Mrs. W. A. Burns, and Miss Mary E. Austin, of this place, in 1898. Mr. Morton had suffered severely for many months of heart disease, but through it all he maintained a most wonderful cheerfulness and though weakened in mind and body his thoughtfulness for others never abated even during his last hours of intense suffering."

HIGH SCHOOL TEACHERS ENTERTAIN

Monday afternoon the High School Teachers' Club of which A. L. Ferguson is president, entertained the members of Glendale City Teachers' Club, of which Miss Clara Midcalf is president, and teachers of Burbank and Eagle Rock. There was an excellent response to the invitation and an address of more than usual interest was made by Carlton J. Wheeler, president of the Southern California Teachers' Association and head of the modern language department of the Los Angeles City Schools. He urged the organization of teachers along the right lines but not along the lines of the federation of labor, seeming to think they should preserve their independence and avoid entangling alliances. The argument was, of course, associated with the movement for increased pay. The program also included vocal numbers by Miss Aileen Renison, of the High School faculty.

Following the address tea and cakes were served in the rear of the High School auditorium where the reception was held.

FIRST M. E. ORCHESTRA

Members of the Orchestra of the First Methodist Church, which numbers twelve to fifteen musicians, were entertained last night at the home of Dr. and Mrs. H. V. Brown on North Central avenue, where the weekly rehearsal took place. Mrs. Dorothy Lee Weller, who has been serving the orchestra as leader, is going to Long Beach for the greater part of the summer and Mrs. Brown will act as leader until other arrangements are made.

SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

GOLD MEDAL HAARLEM OIL CAPSULES

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. All druggists, in three sizes. Look for the name Gold Medal on every box and accept no imitation

Bentley-Built Bungalows are filling many of the vacant spaces between the Verdugo Mountains and the Los Angeles river, from Eagle Rock to the city of Los Angeles.

Bentley-Built Bungalows are bright spots on the landscape. They are distinctive, attractive, modern homes adding to the beauty, the wealth and the growth of Glendale.

Bentley-Built Bungalows are bringing to many men, women and children, the happiness and satisfaction that can only come with home-ownership. They are sheltering families who never thought they would be able to own homes of their own.

Bentley-Built Bungalows are real homes and they are helping to relieve the home shortage in Glendale.

Bentley-Built Bungalows are helping the men who own them to fulfill their obligations to their families, their city and their country.

Don't you need a Bentley-Built Bungalow to make you happy? Come in and see us about it.

RECENT FIRE ALARMS

The fire department was summoned to 460 West Doran last evening and found J. H. Lambie's four-compartment garage burning, but with the flames almost extinguished. Mrs. Lambie said she saw a man start the fire and when she called to him he ran away. She quickly summoned neighbors and they, with a garden hose, soon put out the fire. There was one machine in the garage, but it was not damaged. This forenoon a run was made to South Verdugo Road, just below Windsor Road. Blazing brush piles had set fire to some eucalytus trees and the flames had gotten up as high as 40 feet in some of them. Streams of water soon extinguished the fire.

COVINA 5; GLENDALE 1

It was a patched-up team that Glendale was forced to send against Covina yesterday afternoon and it is not surprising that Glendale came out second best, with several of the old reliables absent. The baseball jinx was against them, too, for in the fatal fourth inning a foul tip was called a plain strike by the umpire, who could not hear it on account of the deafening noise, and this was responsible for two runs. The Covina players also managed in this inning to place their hits most judiciously. The fielding of the Glendale boys was rather ragged and their batting weak, except in one inning. This was not a championship game, so it was not such a hard one to lose. Glendale made her one run in the second inning. Covina scored 4 in the 4th. Fred Jenkins had several strikeouts to his credit and pitched his usual steady game.

NOTICE OF HEARING OF PETITION FOR PROBATE OF WILL No. 47118

In the Superior Court of the State of California in and for the County of Los Angeles.

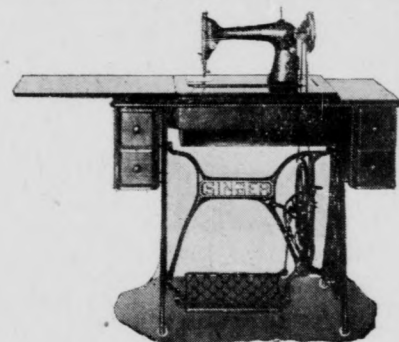

In the matter of the estate of Charles Franklin Morton, Deceased. Notice is hereby given that the petition of Florence Isabel Morton, for the probate of will of Charles Franklin Morton, deceased, and for the issuance of Letters Testamentary, thereon to Florence Isabel Morton, will be heard at 10 o'clock a. m. on the 8th day of June, 1920 at the Court Room of Department 2 of the Superior Court of the State of California, in and for the County of Los Angeles. Dated May 17, 1920.

CAMPAIGN NOW ON

(Continued from Page 1)

longing is very slight, especially
when organizations such as the I.
W. W. are considered, whose dues
are twice those of The American
Legion, and of the Communist Party
of America, that usually requires
a \$50 campaign contribution from
devotees.

The Legion has made great steps
in the few months of its existence
in gaining the affection and respect
of the average American. In co-
operation with other agencies, it is
working along a broad scheme of
Americanization, designed to inter-
est the foreign born. In numerous
crises, such as riots and disasters,
the members of the Legion have
shown themselves first in working
to alleviate conditions. That the
organization is not a believer in di-
rect action has been demonstrated
by such instances as the massacre
of its members at Centralia, Wash-
ington, when the very comrades of
these men prevented the crowd from
assailing the members of the I. W.
W. who fired the murderous shots.

The organization is non-political,
because its membership embraces
men of every shade of political opin-
ion. It has always refused to take
sides in disputes between labor and
capital, leaving to each individual
freedom of choice in the question.
It is also non-military, membership
not affecting a man's liability for
military service in any way.

In addition to the 9,500 Posts of
America, The Legion has active
Posts in England, France, Canada,
Poland, Argentine Republic, Japan,
China, Hawaii, Cuba, Porto Rico,
Alaska, Philippine Islands and Hay-
ti.

The platform of The American
Legion is set forth in its constitu-
tion as follows: "For God and
Country, we associate ourselves to-
gether for the following purposes:
"To uphold and defend the consti-
tution of the United States of Amer-
ica; to maintain law and order; to
foster and perpetuate a one-hundred-
per cent Americanism; to preserve
the memories and incidents of our
association in the Great War; to in-
culcate a sense of individual obliga-
tion to the community, state and na-
tion; to combat the autocracy of
both the classes and the masses; to
make right the master of might; to
promote peace and good will on
earth; to safeguard and transmit to
posterity the principles of justice,
freedom and democracy; to conse-
crate and sanctify our comradeship
by our devotion to mutual helpful-
ness."

COMPANIONS OF SPRING

(Continued from Page 1)

ing hopfields to which the soil in
certain localities is especially well
adapted. English buyers are ready
to contract for all they can produce
at high prices. Some who rooted
out large hopfields during the war
because there was no market, now
wish they had kept them.

At one place they visited where
their host and hostess are strictly
temperance people, they found them
in a considerable quandary as to
what to do with certain properties.
Not finding other market for their
grapes they put them into wine
which they are holding in bond un-
able to sell or do anything with it.
Mrs. Meeker asked them why they
did not realize that prohibition was
coming years ago and prepare for it,
why they did not see the handwrit-
ing on the wall. They replied that
the opponents of prohibition told
them it would never come but now
they wish they had taken time by
the forelock because if orchards had
superseded vineyards when the cam-
paign began to grow hot seven years
ago, they would now be in bearing.

Grapes are by no means a drug
in the market, however. They have
been bringing higher prices than
ever before. They are being de-hy-
drated and sent to Japan in large
numbers. The weather was bleak
a good deal of the time and Mrs.
Meeker caught a cold which caused
her to hurry home sooner than she
would have come otherwise as she
was enjoying the trip immensely.
Their course took them off the beat-
en track of travel into small, neat
villages of white houses in a green
setting. They found a paved road
into Sebastopol and fairly good,
well-graded roads beyond.

Another surprise to Mrs. Meeker
was the almost universal sentiment
for Hiram Johnson up there. She
encountered only two or three who
were ready to shout with her for
Hoover. When she and Mr. Meeker
were being shown through the peni-
tentiary the friends with them said
if they had known the Meekers were
Hoover supporters they would never
have let them out of the prison.

HOLLYWOOD FESTIVAL

GLENDALE ASKED TO CO-OPER-
ATE IN AFFAIR TO HONOR
EX-SERVICE MEN

Mrs. Mattison B. Jones has been
made chairman of a local committee
to represent Glendale in connection
with the annual Hollywood Festival
which opened Monday and which is
to continue its afternoon and even-
ing programs for twelve days. The
proceeds of this year's festival are
to be used for the erection of an au-
ditorium as a memorial to service
men and especially in honor of the
Hollywood Post of the American
Legion. All the towns in Southern
California are being asked to co-
operate and vice-presidents have
been named to represent each town,
Mrs. Jones being appointed for Glen-
dale. Monday, May 24th, has been
named as Glendale Day when a pro-
gram arranged by Glendale represen-
tatives will be put on and when this
city will be expected to send a large
delegation of patrons.

Mrs. Jones is asking to serve with
her on the Glendale committee rep-
resentatives of the Glendale Post of
the American Legion, of the schools,
churches, clubs and fraternal organ-
izations to work up a big delegation
to represent Glendale on the day
named. The Festival Association in
asking for the co-operation of out-
side communities promises to re-
spond in kind and assist those com-
munities when they have civic en-
terprises of a similar character.

The program tonight will include
the oratorio of Elijah by a chorus of
175 voices directed by John Small-
man and accompanied by the Royal
Italian Band of which Alfred S.
Thomasino is leader. The festival
grounds are at the corner of Sunset
Boulevard and Wilton Place just one
block west of the Fox Motion Pic-
ture Studio. A stage has been built
big enough to accommodate the
chorus, and orchestra, and the seat-
ing capacity is sufficient for thou-
sands of patrons. It is enclosed by
a canvas nine feet high to shut out
the wind. Free parking has been
provided for automobiles and Mrs.
Jones says every provision is being
made for the entertainment and
comfort of out-of-town visitors.

CITY SCHOOL BONDS

(Continued from Page 1)

enrollment is 350 against 300 last
year. Besides the addition planned
some improvements are necessary in
the old building. The furnace has
burned out and must be rebuilt at a
probable cost of about \$2000. Also,
if the new buildings are constructed,
furnishings will be necessary. Mr.
Rowley, one of the trustees, stated
that the seating of the auditorium
in the Broadway School would cost
about \$2800.

Estimates submitted by Mr. White
for the completion of the school im-
provements were as follows:

Intermediate addition	\$22,500.00
Triangle of land at Cer- ritos Avenue	2,400.00
Broadway School furnish- ings	3,750.00
Intermediate furnishings	1,350.00

Oh! That
Bunion

How it hurts, throbs,
stings and aches.
What wouldn't you do
to get rid of it and en-
joy perfect foot ease!
Here is instant relief.

FAIRYFOOT

A wonderful yet simple home
remedy which relieves you in-
stantly of pain, removes the
cause of the bunion, and thus the ugly
deformity disappears—all this while
you wear as tight shoes as ever.

SOMETHING NEW

Have you been reading about the foreign trade convention? Do you know what Industrial week means to you? Have you seen the new Goodyear plant? Do you know about the Panama Canal and your Harbor?

Come and see our wonderful new industries. You will see Goodyear plant, Shipbuilding Yards and Dry Dock, new Union Oil Refinery, Standard Oil and General Petroleum stations.

Our Opening Day For Our Glendale Office Is

THURSDAY, MAY 20th

We are running Free Excursions from our office,
104 A N. Brand Blvd., 3 times a week, Tuesday,
Thursday and Saturday at 9:10 a. m.

The trip includes car ride, auto ride and 20-mile boat ride through the harbor. See the canneries, fisheries, lumber; also mammoth municipal docks, sheds and warehouses. The U. S. warships, submarines and hydroplanes, the government constructed breakwater and light-house.

Give yourself a treat. You will learn something. Educational lecture on the boat. Very interesting.

Make money by owning well located property at the Gateway, the Mouth of the New Empire of the Southwest.

An International Seaport, the coming maritime metropolis of the Pacific. If you missed your opportunity in the older seaports, in the big cities they always build, Don't miss this one.

See Vista del Oro, the sub-division that is different at the great, rapidly developing Los Angeles Harbor—your Harbor.

The sub-division beautiful, wonderful panoramic view of the mountains and the sea. Wise restrictions. This is a wonderful investment opportunity. Apartment, flat or bungalow court sites. Future business property.

This free trip is a method of advertising. You are not obligated. Tell your friends about it.

Please make reservations in advance, if possible, as the number of guests is limited to the number we can care for comfortably. Keep this for references, date, etc.

Special Representatives

Total\$30,000.00
"Assuming," said Mr. White,
"that these bonds would bear 6 per
cent interest and assuming that a
one thousand dollar bond would be
retired each year, at the end of each
year a payment of \$2800 would
have to be made. That would rep-
resent 3.4 cents on each \$100 and at
that rate a \$400 bungalow assessed
at 50 per cent of its value or \$2000
would be subject to a tax of 68c.

Mrs. Kulp objected to the amount
named as not affording sufficient
margin for increases in cost which
we had no reason to suppose had yet
become stationary. A motion made
by Mrs. Barton "That this mass
meeting advise the calling of an
election for a bond issue of \$30,000
at the earliest possible date" and
which had been seconded by Mrs.
Kulp, was therefore amended by
her to read: "An election for a
bond issue of \$32,000," that there
might be assurance of enough
money to provide for the rebuilding
of the furnace. The motion thus
amended was unanimously adopted.

Mr. Hibben, president of the
Board, stated that if the \$32,000
should prove inadequate it could be
supplemented by funds secured
through a slight increase of the
school tax allowed for building pur-
poses. That tax at present is but
8 per cent in the Glendale district,
but the law permits a fifteen per
cent levy. However, he did not an-
ticipate that would be necessary.

It was then suggested that a com-
mittee of publicity and promotion be
appointed to co-operate with the
Board and Mr. White was instructed
to confer with the County Superin-
tendent's office in regard to the
preparation of the papers in connec-
tion with the proposed bond elec-
tion.

In response to this suggestion a
committee was named which includ-
ed H. V. Henry, chairman; Mrs. Bar-
ton, Mrs. Kulp and Mr. White, with
power to increase its membership.

Parisians had a taste of camel
meat the other day when a Saharan
king long on display was sold to the
butcher. But Americans have been
eating camel meat ever since last
July.

Three more Americans have been
murdered by bandits in Mexico. But
let the assassins beware, for the
Mexican foreign office has been "re-
quested to take immediate and ef-
fective measures to capture and pun-
ish the murderers."

The administration is not entire-
ly without support. Texas is still
loyal.
